Scholarship and Financial Aid Policy 2026-27

Doc ID: SCH-POL-2026-27 | Version 3.0 | Effective: 1 July 2026 | Owner: Aid Committee | Status: Current

1. Purpose and scope

This policy sets the financial aid schemes for the two-year MBA programme for academic year 2026-27. Aid is a waiver of tuition fee only. It does not cover hostel, mess or other fees.

2. Schemes

2.1 Merit Award

Students in the top 10% of their batch by CGPA at the end of the previous term, with a minimum CGPA of 3.30 (4.0 scale), receive a 30% tuition waiver.

2.2 Need-Based Fee Waiver

- Slab A: family income up to Rs. 6,00,000 per year - waiver of up to 50% of tuition.
- Slab B: family income from Rs. 6,00,001 to Rs. 8,00,000 per year - waiver of up to 25% of tuition.
- Family income above Rs. 8,00,000 per year is not eligible.

2.3 Hardship and Emergency Fund

A one-time grant of up to Rs. 50,000 for sudden hardship such as a medical emergency in the family, loss of the earning member, or a natural disaster. Awarded only by the Aid Committee on evidence.

3. Combining schemes

Merit Award and Need-Based Waiver may be combined, but the total waiver cannot exceed 75% of tuition. The Hardship grant is separate and does not count toward this cap. A student can receive only one Need-Based slab.

4. Exceptions

4.1 If the family has lost its main earning member in the last 12 months, or is a single-parent household, the Slab A and Slab B income limits are each raised by Rs. 1,00,000.

4.2 Exceptions require the supporting documents listed in the Document Checklist (FA-CHK) and are decided only by the Aid Committee.

5. How to apply

Apply on the Aid Desk portal. First-year students: by 31 August 2026. Second-year students: by 15 January 2027. Late applications are considered only for the Hardship Fund. Required documents are listed in the Document Checklist.

6. Decisions

The Accounts Office verifies documents and recommends. The Aid Committee decides. No one else may confirm an award. Students are told the decision in writing.

7. Renewal and withdrawal

Need-Based Waiver is renewed each year on a fresh application. Students must keep a CGPA of at least 2.80 and have no disciplinary action. An award is withdrawn if false information is found, and waived amounts may be recovered.
